State Supervisor, Science/Environmental Education

Subject: COMPUTER FAIRE - DELAWARE - 17 MARCH 1979

The Computer FAIRE scheduled earlier for 9 December 1978 has been cancelled and rescheduled for Saturday, 17 March 1979. Due to a number of factors, primarily the New Castle County School District teacher's strike, the Computer FAIRE has been postponed to 17 March 1979.

The Delaware Council of Teachers of Mathematics, the Delaware Teachers of Science, and the State Department Council on Computer Education are co-sponsoring the Faire which will be held at Delaware State College in Dover, Delaware on the above mentioned date from 8:30 a.m. - 3:30 p.m.

The Computer FAIRE is being planned for K-12 teachers, administrators, parents, and interested public on the current technology for the classroom and personal use of computers.

It is also planned that a Computer Programming Contest and a Calculator Contest for students will be conducted as a part of the program. Workshops, demonstrations, and sessions on the use of computers in the classroom will fill out the program.

We invite you to participate by exhibiting at the Computer FAIRE. Your cooperation is solicited here for an opportunity to assist the planners of the meeting and specifically, at this time, to apprise the participants at the Computer FAIRE of your products.

We will assist as follows:

1. You or your company can exhibit. Registration fee: \$50 two tables; three tables or more, \$20 per table.
2. If you would like to donate an award either for the Calculator Contest and/or the Computer Programming Contest, please notify me at the Department of Public Instruction, Townsend Building, Dover, Delaware 19901 (302) 678-4885.

3. If you have favors or handouts for registration, please notify me at the above address.

Send reservations to:
